Step 2: The moment you click on the **Login** Button you will be redirected to the following Page

- To keep proceed with your account you must change the default password with your own new password.

Password Policy

The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 UPPER CASE LETTER(S), at least 1 special character(s) such as as *, -, or #

Using the Password Policy to create your own password, Fill the required field as per the request. And Click **Save Changes**

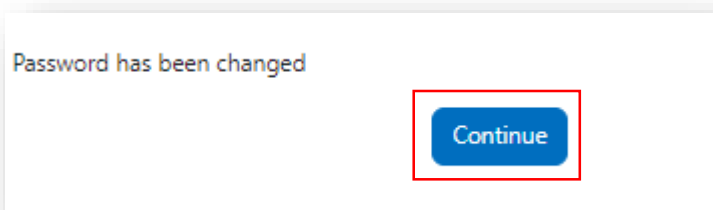

The screenshot shows a 'Change password' form. At the top, there is a red notification bar that says 'You must change your password to proceed.' with a close button. Below this, the form title is 'Change password'. The 'Username' field is pre-filled with 'moea0001'. A password policy message is displayed: 'The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 special character(s) such as as *, -, or #'. There are three input fields: 'Current password', 'New password', and 'New password (again)'. Each field has a red information icon to its left. A red rectangular box highlights these three input fields. Below the fields is a blue 'Save changes' button. At the bottom left, there is a legend: a red information icon followed by the text 'Required'.

Current Password: it is the password which is given to you from the university

New password: the password which you are going to create for your account

New password (again): put the same password for confirmation

- After you successfully change your current password with the new one you will be redirected to the following **Confirmation** page; Click on **Continue** to keep proceed.

The screenshot shows a confirmation message box. The text 'Password has been changed' is displayed in a light blue font. Below the text is a blue button with the word 'Continue' in white. A red rectangular box highlights the 'Continue' button.

The Dashboard

After successfully changing the password and logging in to the system, you will find your Dashboard shown below in the image. Make sure that your dashboard has **General Direction** and **My Exam Menu** in the left corner of your screen. And the Basic Information Page in the center of the screen.

Basic Information

- The information that you need to approve as yours, if not contact your respective Department and/or the University as well.

General Direction

- This menu has a direction that one enrolled student should read before starting exam, and as long as he/she is active on the system he/she must respect those rules.

My Exam

The image displayed down shows **My Exam** home page. The department / program name you are enrolled in will be displayed at the bottom of the page, and when you click on the department / program name you will be redirected to the Exam Page:

Exam Page

- ✓ Exam pages are the very critical and important page that you must taking care of; the page has **Exam** having a purple icon, before beginning an exam you have to be sure that you are in the exam center:
- Be sure you've studied

As most of your exams will be timed, it is imperative you use your time wisely. Being prepared will reduce much of the stress associated with taking exams.

- Be sure you have enough time to finish the exam

Once you press the start button on an exam, the timer will begin and continue to count down until time has expired, whether you are actively taking the exam or not.

Do not navigate to other pages in MoEEE while you have the exam open. This can cause issues with your submission.

- Be sure you have a reliable Internet connection.

Before starting the exam you have to make sure that you are in exam center. You should only start exams from a reliable Internet connection.

- Be sure you fully submit the exam once you are finished.

If you navigate away from the exam before completing the submission process your exam may not save properly, or other issues could arise.

Note:

- If you are quite sure that all of the above has done; click on **Exit Exam 2015**
- If you try to attempt the exam before the time it opens, you will see a message that lets you know the exam is not yet available and a button to go back to the course. If the deadline to take the exam has passed, you will see a message that lets you know the Exam is **no longer available**.

The screenshot shows a user interface with two tabs: 'Exam' (selected) and 'Results'. Below the tabs, there is a section titled 'Accounting and Finance Exit Exam 2015' with a dropdown arrow on the left and a 'Collapse all' link on the right. Underneath this section, a purple button with a white checkmark icon and the text 'EXAM Exit Exam 2015' is highlighted with a red rectangular box.

After you click on **Exit Exam 2015** you will be redirected to the following page, on this page you will find the actual exam with the following setting.
